Family Baptism Celebration

*First celebration is
Sunday, September 12*

Baptism is a huge marker in a child's life because it is one of their first opportunities to share publicly that they have chosen to trust Jesus and live in friendship with Him. The Family Baptism Celebration is designed to help you mark the most important decision your child will ever make. It also provides an opportunity for kids to share this meaningful experience with family, friends, teachers, and others in a casual, kid-friendly environment.

If your child has decided to trust and follow Jesus, we would love for him or her to participate in our first celebration on Sunday evening, September 12. Prior to being baptized, kids will need to attend a baptism class with their parents on Sunday, August 8, at 11:30 a.m. in Room 115.

To sign up or for more information, please contact Jenny Bennett, Fellowship Kids Ministry Assistant.

Please note...

Adult baptisms will continue to take place several times a year during our Sunday morning worship services. The next opportunity is Sunday, September 26, with a required baptism class on Sunday, July 25, at 10 a.m. Contact Dawn Richards, Worship Ministry Assistant for registration.

Giving at Southside Fellowship

We believe the Bible teaches that every Christian is called to financially support the basic operations of the ministry through giving to the **General Fund**. Over and above regular giving, we believe the followers of Christ should contribute towards the needs of the poor, to missions, and to building campaign efforts. Please prayerfully consider how you might give in these ways to support this ministry. (All undesignated money received goes directly into the General Fund. Please designate by dollar amount or percent of total given to give to the other three funds.)

Missions Fund: Helps to support missionary families associated with our Fellowship, local mission agencies, short-term mission trips, and designated projects.

Benevolence Fund: Assists the less-fortunate or those in difficult, temporary situations.

Building Fund: Used to fund the acquisition of our current property and add on needed space as determined by the ministry.

To give online or to request personalized giving envelopes, please visit our homepage at southsidefellowship.org, and click on the Online Giving tab.

Locked Drop Boxes

are located next to the elevator and near the exits in Commons East and West. You are welcome to drop your offering, registration payments, etc. in any of these boxes. Drop-box contents are removed each week.
